Financial Aid – Filing the FAFSA / Attend AU's upcoming Financial Aid Seminar

The financial aid filing season for the 2009-2010 academic year has begun! Beginning this month, you can file your Free Application for Federal Student Aid (FAFSA).

Filling out this form does not obligate you to anything. Aurora University's priority filing date is April 15, 2009. FAFSA forms are accessible online at:

<http://www.fafsa.ed.gov/> (simply click on this link!)

You must remember to include Aurora University's school code so that your information will be forwarded to our school. Our school code is: **001634**.

While it is best to wait until you have filed taxes to file the FAFSA, it's not too early to register for your electronic pin. The pin (personal identification number) will allow you to sign your FAFSA electronically. If you are providing parental information on the FAFSA, one of your parents must also sign your application. Your parent must apply for his/her own pin. You can apply for your pin at: www.pin.ed.gov

Upon receiving your FAFSA information, our financial aid staff will put together a financial aid package. Your package will include the total cost of attending minus academic scholarships or grants, need-based grants and student loans. We promise to work with you so that you will fully understand the financial commitments of investing in an Aurora University education.

Once you are packaged from AU, your admission representative will be in touch to assist you in understanding costs, payment plans, and where to go from there. Do not hesitate to contact our Financial Aid office should you have any questions.
