

PARENT AUTHORIZATION FORM

A response is necessary to both of the following questions. You may change this request, in writing, at any time.

AUTHORIZATION TO CREDIT YOUR STUDENT'S ACCOUNT FROM PARENT (PLUS) LOAN

I understand my student's Federal Pell Grant, if awarded, and any other federal financial aid funds will be applied to their tuition, fees, and room and board charges. In addition, I understand Aurora University may credit any remaining funds to other university charges billed to my student's account. If you answer "no", you must use other means for paying all miscellaneous charges.

I do I do not
authorize Aurora University to credit financial assistance toward miscellaneous charges:
(ie: book vouchers, library fines, parking tickets and other miscellaneous charges)

AUTHORIZATION TO HOLD/RELEASE CREDIT BALANCE FROM PARENT (PLUS) LOAN

If your student's financial aid exceeds their charges, their account will reflect a credit balance. If you choose to receive the refund of credit, it will be available within 14 days of the date the credit balance occurs.

I authorize the credit balance to remain on my student's AU account.

I want a refund check, therefore I do not authorize the credit balance to remain on my student's AU account.

PLEASE NOTE:

- ◆ Overpayments that include credit card payments will be issued back to the credit card account first.
- ◆ Any credit balance from your PLUS loan at the end of an academic year will be refunded to you or you may request to have the credit balance returned to your PLUS loan lender.
- ◆ Any credit balance from your PLUS loan, after your student is no longer enrolled at least half-time or have left Aurora University, will be returned to your PLUS loan lender and credited to your outstanding loan balance.
