John Donofrio started as the Men’s Golf Coach at Aurora University in the fall of 2002. Under Coach Donofrio’s leadership, the golf program has shown steady progress with returning golfers and talented recruits. The AU golf program consists of a competitive and full traditional spring schedule, including a spring break competitive trip and a fall nontraditional season tournament play. AU golf is a member of the Northern Illinois-Iowa Conference (NIIC) conference of NCAA Division III and will join the newly created Northern Athletics Conference in the fall of 2006.

Prior to joining AU, Donofrio was with Dominican University, where he started both the men’s and women’s golf programs, competing in NAIA and NCAA Division III. He has been involved with the game of golf for the past 25 years, since his introduction as a caddie at Calumet Country Club. He competes in amateur golf tournaments in the Chicago District Golf Association, and is a member of the Chicago Golf Coaches Association and WGA Par Club.

Donofrio earned a bachelor’s degree from the University of St. Francis and a master’s in business administration from Benedictine University. He has worked in management positions in the insurance industry for the past 20 years. He also taught in the business departments at the University of St. Francis and Joliet Junior College as an adjunct instructor for economics, business policy and service management.
Aurora University Head Coach John Donofrio is looking forward to an improved and stronger performance for the 2006 spring golf season. The team is young but made a strong showing in the fall season. Senior leadership rests with Captain Kevin Cook who was All-Conference in 2005. Strong additions are with Community College transfers Justin Wyeth (best fall scoring), Pete Miller and Jon Sample. Sophomore Brock Hall continues to lower his qualifying scores and push for a top five qualifying spot.

Freshman additions Mark Frantzen (traveling squad in fall), Jason Tongate, Tim Fleming, and Jacob Miskiewicz are also vying for top spots.

“We have a tough schedule with some great competition and courses to prepare us with our focus on the NIIC championship,” Donofrio said.

Aurora University will be competing in the NCAA Division III Northern Athletics Conference beginning in the fall of 2006. The 2006 NAC Conference Championship will be played at Whistling Straits Irish Golf Course in Kohler, WI.

Heinkel received his B.S. in park and recreation administration from Southern Illinois University in 1973. Heinkel, his wife, and children reside in Aurora.

2006 Tennis Prospectus

The 2006 Aurora University men’s tennis team has been practicing this spring and looks to have a very promising season.

We are returning the following players from last year: Cole Guetschow, Jimmy Hunt and the NIIC Conference player of the year, Dan Fink.

New players on the team this year are Marshall Reed, who also plays soccer; John Donovan, Brian Crouch, a freshman from Yorkville; Tony Martinez; and Graydon Engle. This gives us eight players on the team.

The new players on our team give us considerable depth because of their playing experience. Our players are very excited about the season having as their goal to win the conference championship in May.

AU Men’s Golf and Tennis
Rebecca L. Sherrick  
**President**  
Currently in her sixth year as Aurora University President, Rebecca Sherrick is a true Spartan booster and often attends athletic events. She earned her B.A. from Illinois Wesleyan University and her doctorate from Northwestern University.

Andrew Manion  
**Provost**  
Previously Dean of the College of Arts and Sciences from 1998 to 2000, Andrew Manion earned his B.A. from Saint Norbert College and his doctorate in experimental psychology from Adelphi University.

Michael Moser  
**Vice President for Student Life**  
Michael Moser assumed the duties of Vice President for Student Life in March 2004. He has a B.A. from North Central College and a Master of Divinity from Garrett-Evangelical Theological Seminary.

Mark Walsh  
**Director of Athletics**  
Mark Walsh was named Director of Athletics in 1998. Previously, Walsh was AU’s Head Baseball Coach from 1992-2002 and an Assistant Coach from 1987-1992. Walsh led the Spartans to nine NIIC Conference Championships and nine NCAA Tournament appearances while posting a 320-85 (.790) won-lost record in 10 seasons. Walsh also served as an Assistant Football Coach at AU from 1986-1996 and was part of the coaching staff that reinstated football after it had been dropped in 1952. Walsh earned both his bachelor’s and master’s degrees from Aurora University.
Aurora University traces its origins to the 1893 founding of a seminary in the small town of Mendota, IL. Though established initially to prepare graduates for ministry, the institution soon adopted a broader mission and moved to a new campus on the western edge of the nearby community of Aurora. With this change came a different name and a growing enrollment. In 1985, the institution was rechristened Aurora University.

In 1992, the Aurora and George Williams College traditions blended when the two institutions entered into the affiliation agreement that paved the way for a merger eight years later.

Today Aurora University is accredited by the Higher Learning Commission of the North Central Association to award degrees at the baccalaureate, master’s, and doctoral levels. The institution enrolls approximately 4,000 degree-seeking students a year on its Illinois and Wisconsin campuses. AU offers its undergraduates a wide range of on- and off-campus learning experiences. Students participate in more than 40 musical, literary, religious, social and service organizations and play active roles in campus governance. The university also fields 18 NCAA Division III intercollegiate athletic teams. The Spartans boast a winning tradition with 37 conference titles in recent years and 32 regular appearances in national tournaments.

The Alumni Hall of Physical Education features a racquetball court, climbing wall, complete locker room facilities, training room, weight room, aerobic-activities room, classroom and coaches’ offices.

At AU, we believe that the educational needs of students are served best through the formation of strategic partnerships with institutions of like vision, mission and values. Such collaborations also enhance the well being of the communities around our campus. For example, our innovative partnership with the West Aurora School District is recognized nationally as a model for educational reform. New this year is AU’s $14 million Institute for Collaboration that houses this growing collaboration and the students and faculty it nurtures. Our George Williams College at Williams Bay, WI, also is the scene for important collaborative efforts. Last year, the residential, conference and academic facility, developed in partnership with Children’s Oncology Services Inc., opened. In the years ahead, the new building will serve as the home to the One Step At A Time Camp for children with cancer and the university’s rapidly growing academic program.

Aurora University is located in west Aurora, within an hour’s drive of Chicago and at the western end of the Illinois Research and Development Corridor. It is accessible via Interstate 88 at the Orchard Road exit.
