School of Nursing
Spring 2016 Timeline

For more information regarding nursing admission, please visit aurora.edu/trnursing.

Fall 2015
Acceptance of AU applications for spring 2016 begins. Applications will be reviewed as they are received and will continue until the maximum enrollment is reached. Apply at aurora.edu/apply.

November 24, 2015
Students must be admitted to Aurora University on or before this date. The School of Nursing application will be distributed upon acceptance to Aurora University.*

All current transcripts including SU15 coursework grades, TEAS exam results and School of Nursing application must be submitted to the Office of Admission on or before this date in order to be considered by the School of Nursing for admission in SP16. Transcripts should be requested in September 2015.

TEAS-V Exam Registration
Students may register for the TEAS-V Exam once they are confident they can complete all prerequisites by the spring of 2016. You are required to register ONE week prior to the exam date with Assessment Technologies Institute (ATI) at atitesting.com. If you have difficulties registering for the TEAS exam, you should contact ATI directly. The exam must be taken between December 15, 2014 and November 24, 2015.

A School of Nursing application will be sent via email with directions on completing and returning the application to the School of Nursing office by November 24, 2015.

November 24, 2015
Current TEAS-V Exam results must be received from ATI***.

December 2015
Notification of School of Nursing admission decisions.

* The School of Nursing application will be distributed upon acceptance to Aurora University. Students must be admitted to Aurora University on or before this date.

** Current TEAS-V Exam results must be received from ATI before the School of Nursing will consider a student for admission.

*** Notification of School of Nursing admission decisions will be sent via email to accepted students.
A new TEAS-V score is required for each application for admission to the School of Nursing.

Students with additional questions may call the Aurora University School of Nursing at 630-844-6146.

**Nursing Prerequisite Courses**

All prerequisite courses must be completed before entry into the School of Nursing. Prerequisite courses may be taken at Aurora University or transferred from other institutions.

*BIO 3050 Pathophysiology will be completed during the first semester of the Nursing Program for the Spring 2016 nursing cohort.

**School of Nursing Admission Requirements**

All applicants will be reviewed for acceptance to the School of Nursing. The main criteria for acceptance include:

1. All prerequisite courses taken must be completed with a “C” or higher prior to the time of review of the applicant’s file for entry into the School of Nursing. Courses taken after provisional admission and prior to the beginning of the fall semester must be completed with a “C” or better.

2. All science prerequisites must have been completed within the last ten years.

3. A minimum grade point average (GPA) of 2.75/4.0 scale or 3.42/5.0 at Aurora University or other accredited higher education institution.

4. Earn a satisfactory score on the Test of Essential Academic Skills (TEAS). A new TEAS-V score is required for each application for admission to the School of Nursing.

5. An interview may be requested at the discretion of the School of Nursing Admission, Policies, and Standards Committee.

6. Applicants who are graduates of foreign secondary schools where the primary language is not English must obtain a composite score of at least 550 (or a 213-220) on the computer-based test from the Test of English as a Foreign Language (TOEFL) or ESL Level 109.

7. The Admission Committee does not deny an applicant because of an occasional “W” on their transcript. If an applicant has a pattern of excessive withdraws and/or course repeats an interview may be requested.
