FULL JOB DESCRIPTION

Join Our Team at KCC!

If you are passionate about helping individuals improve their mental health, we'd love to hear from you. We are a warm and skilled team of therapists who value connection and high-quality care. You focus on the clinical work, and we'll take care of the rest!

Why work with Us?

- You choose who you take on, no pressure to accept outside your preferences.
- You are in charge of your own schedule. Build your caseload at a pace that is right for you.
- We manage inquiries, marketing, billing, and claims.
- We are prioritizing in-person care at either office location, but some telehealth is welcome.
- Not in-network yet? We can guide you through getting paneled to reduce stress.

About the Role

We are seeking mental health therapists to join our private practice. While telehealth is an option for some sessions, we are especially looking for therapists who can provide in-person sessions at one or both our Batavia and Naperville offices.

Overview

The ideal candidate will provide high-quality therapeutic services to individuals, focusing on promoting mental wellness and supporting clients through various challenges. This role requires a strong commitment to client care, a deep understanding of mental health issues, and a passion for what you do! This is a unique opportunity to work in a small, cohesive and supportive environment, where you can set your own hours and manage your own clients.

DUTIES

- Conduct comprehensive intake/assessments to understand clients' mental health needs and develop tailored treatment plans.
- Specialize in Child, Adolescent and/or Young Adult Therapy.

- Provide individual or couples counseling sessions utilizing evidence-based therapeutic techniques.
- Implement crisis intervention strategies to support clients in acute distress.
- Effective and timely recording of progress notes and write up treatment plans.
- Offer psychotherapy services addressing a range of issues including anxiety, depression, trauma, and relationship challenges.
- Maintain accurate and confidential client records in compliance with ethical standards and HIPPA requirements.
- Engage in ongoing professional development to stay current with best practices in mental health therapy.

Responsibilities

- Provide individual therapy sessions (in-person and hybrid)
- Treat individuals experiencing depression, anxiety, low self-esteem, trauma, addiction, substance use, and more (based on your expertise and interest)
- Maintain an independent clinical caseload

WHAT WE PROVIDE

- Marketing, billing, and insurance benefit checks
- Inquiry and Intake paperwork
- Administrative support
- Freedom to choose your schedule
- Weekly supervision, including clinical supervision for those seeking clinical licensing

We take pride in creating a supportive environment for clinicians. Our practice is designed so you can focus on providing excellent care while we handle the business side.

REQUIREMENTS

- Active Illinois license
- Comfortable working independently
- Warm, friendly, and clinically skilled
- Professional Liability
- In-network with most insurance companies or open to applying (not required — we will guide you)

Please reach out to **Mary Anne Callahan** at mcallahan@kuhncounselingcenter.com with your CV or resume. We look forward to hearing from you!
