

Mend & Heal Counseling, located in Lake Geneva, Wisconsin and Antioch, Illinois, is hiring part-time and full-time clinicians for our Antioch, IL office.

We are seeking motivated, confident LSWs and LPCs who are able to independently manage a caseload of children, adolescents, and adults. Applicants should have relevant clinical experience and a passion for providing high-quality, client-centered care.

Responsibilities include:

- Providing individual, family, and/or couples therapy
- Conducting assessments, treatment planning, and maintaining timely documentation
- Managing an active caseload
- Collaborating with a supportive clinical team and participating in weekly supervision

Qualifications:

- Active licensure (LSW or LPC) in Wisconsin and/or Illinois
- Ability to work independently while engaging in team collaboration
- Experience working with diverse populations (children, adolescents, adults)

M&H offers competitive W2 compensation, PTO, CEU reimbursement, and consistent weekly supervision within a collaborative and supportive team environment. We provide full administrative support, including billing, insurance verification, EHR, and transcription software, so you can focus on clinical care.

M&H is known for excellent therapeutic outcomes and a wide range of services, including art therapy, play therapy, and couples counseling.

Applicants must be willing to work 1-2 evenings and every other Saturday morning. Please contact Jessica Gebbink at jessica@mendandheal.com.
