

Experience Washington D.C.
Study Away Spring 2025

**HLS2880 Travel Medicine and Public Health:
Exploring Global Health | 4 credit hours**

This course explores the intersection of travel and health, supplemented by a hands-on experience in Washington, D.C. Students will focus on the principles and practices of travel medicine and public health, and learn about various health risks associated with travel, including infectious diseases, environmental factors, and cultural considerations. Through case studies and discussions, students will develop the knowledge and skills necessary to assess, prevent, and manage health issues encountered during travel.

Course dates:

See course description in Self-Service.

Travel dates:

March 3-8, 2025

Travel costs: \$2,300

Includes: airfare, lodging, ground transportation, all excursions, and all meals.

Trip Highlights

- » Centers for Disease Control and Prevention
- » World Health Organization
- » National Museum of American History
- » National Museum of Health and Medicine
- » U.S. Capitol
