Withdrawal and Refund Policies
8. Once registered, you are responsible for all charges until the date on which a course is dropped in WebAdvisor or until written cancellation is received in the Registrar’s Office. Changes in registration may be filed on a Change of Course Petition, be sent by email to the student’s academic advisor or the Registrar’s Office from an aurora.edu email account, or made by faxing or mailing a signed written request to the Registrar’s Office specifying the courses to be dropped. The fax or postmark date will be the effective date of withdrawal. Non-attendance does not constitute withdrawal from the course.

   • 100% refund through the first full week of the semester or the first class meeting, whichever is longer.
   • 99% refund through the second full week of the semester or the second class meeting, whichever is longer.

10. Grades, transcripts, and future registration will be withheld for non-payment of tuition and other charges in accordance with university policies, unless the student has filed for bankruptcy.
11. Should it be necessary to assign an unpaid balance to a licensed collection agency, the holder of the account (i.e., the student) will be responsible for all collection costs, including but not limited to collection agency costs, court costs and legal fees, incurred by the university in recovering payment. Prepayment of charges for any future registration will be required.
12. LATE FEE: At the end of the 100% refund period (see dates on front), a late fee of $100 will be charged to all accounts that are at least $400 past due. Additionally, accounts past due $400 or more after week 5 will be charged a $200 late fee, and accounts past due $400 or more after week 9 of the semester will be assessed an additional $500 late fee. A withdrawal of consent will be confirmed by email to the student@aurora.edu account.

Financial Aid Information
15. Late fees and/or finance charges will be added to account balances for which financial aid has not yet been credited. All financial aid documentation must be submitted prior to May 1 to facilitate completion of awards in time to avoid late fees. Necessary documentation received after this date is considered late and may result in late fees.
16. I understand that Aurora University will pay allowable direct charges, including tuition, fees, room and board, using federal financial aid awarded from Federal Title IV programs ( Pell, FSEOG, Direct Stafford Loans, and Direct PLUS Loans).
17. By signing this form, I hereby authorize Aurora University to credit Federal Title IV student aid toward miscellaneous expenses (if incurred) such as book vouchers, library fines, parking fines, payment plan late penalties, room damage charges, judicial fines, etc. My signature confirms that I have read and understand both the contents of this form and that this authorization is voluntary. The above authorization will remain in place for the duration of the academic period for which this form is being completed, unless I complete a written request to cancel or modify the authorization, which I may submit to the Student Accounts Office at any time. I understand that I may refuse to authorize any individual item. Such changes would take effect as of the date the request is received at AU and are not retroactive.
18. I understand that if I withdraw from classes up through the 60% point in a period of enrollment, any unused Federal Title IV student aid will be returned to the appropriate student aid programs per the Return of Title IV Funds regulations mandated by the U.S. Department of Education. Further details are available under item 19 of the 2018-2019 Financial Aid Rights and Responsibilities at aurora.edu/forms2018.

You must have a FERPA access code on file with Aurora University before any Aurora University personnel can discuss your educational records over the phone. This access code allows us to identify you.

To submit a FERPA access code, you must complete the Authorization to Release Information form on the other side of this notice and return it to the Student Accounts Office.

- You may choose to submit the form via WebAdvisor.
- If you choose to return the form IN PERSON, you must show photo identification, such as a driver’s license, and/or student ID card.

GETTING STARTED AT AURORA UNIVERSITY

Books
The AU Bookstore is located on the first floor of Dunham Hall. The AU Bookstore offers textbooks, school supplies, reference books, imprinted AU clothing and giftware, consumer technology accessories, toiletries and other items. All of our textbooks and a large selection of our AU clothing and giftware are also available to purchase on our website. We do have a textbook rental program, as well as e-book versions of select textbooks -- see store for details. Students may visit the Bookstore website by clicking on “Bookstore” at the bottom of the AU homepage. There they will find instructions for textbook buyback - both in store & online, the Bookstore’s hours of operation, and the link for the Online Bookstore where they can purchase textbooks, AU gear and giftware.

Book Vouchers
Students who have credit balances on their accounts are eligible to receive Bookstore Vouchers up to the amount of their credit balances. Students may send requests for book vouchers by sending emails from their AU email accounts to student.accts@aurora.edu, or they may stop into the Student Accounts Office. Once the requests have been processed, students can use the vouchers at the AU bookstore.

Class Schedule
Each incoming student should receive a copy of his/her schedule when registering for classes for the first time with his/her academic advisor. At the start of each term, students should access their schedules online through WebAdvisor, which can be accessed via the Aurora University website. Viewing this updated version will insure the locations of classes are accurate. A campus map is available at www.aurora.edu/about/maps-directions to help identify class locations. A paper copy of the map may also be obtained at the Registrar’s Office.

Emergency Text Messaging System
Aurora University maintains an emergency messaging system that will notify users of class cancellations, severe weather, or other emergencies affecting our campuses. Students, parents, and community members can visit aurora.edu/alerts to sign up to receive text messages and emails from the system. Notifications will also be posted on aurora.edu and the university’s primary social media accounts (facebook.com/aurorauniversity and twitter.com/aurorau).

ID Cards
All Aurora University students are required to have a University issued photo ID card. Resident students will be provided their ID cards when they check into their residence halls at the start of the semester. Commuter students can obtain their ID cards from the Campus Public Safety Department located at 1408 Southlawn Place.
Student IDs are valid for a student’s entire time at Aurora University and serve the following purposes: Identification as a member of the Aurora University community; for meals at AU dining locations; admittance into the main entrance of students’ residence halls; checking out books from the Charles B. Phillips Library.

Please note that a replacement fee is charged to those students who lose or damage their cards. The fee, paid in advance to the Office of Student Accounts, is $35 for Proximity/Access cards and $25 for basic ID cards. Issuance of a replacement Proximity/Access card will only be completed with approval from the Office of Residence Life.

**Internet Access and Email**

If students choose to use a non-AU email address, such as Gmail or Yahoo, they can auto-forward their AU email to their personal email addresses. For information on how to do this, please contact the ITS Helpdesk at 630-844-5790 or itshelp@aurora.edu. The student's AU email account is the official method of communication from the university.

Resident students have access to the internet in their rooms. Wireless access to the internet is widely available in academic spaces, many public spaces, and all residence halls.

**Involvement Fair**

Throughout the year, AU sponsors events that provide opportunities for students to grow personally and intellectually, build a sense of self-worth, increase tolerance for and appreciation of others, and develop social and ethical awareness and responsibility. AU also encourages and promotes participation in student clubs and organizations. All students are encouraged to participate in the fall semester Involvement Fair on **Thursday, August 30, 2018 at 11:30 a.m. on the Quad** to find out more about these opportunities.

**Parking on Campus**

Anyone parking a vehicle on campus must have a valid parking permit which is available from the Campus Public Safety Department. The application for a parking permit can be found on the Campus Public Safety website or obtained at the Campus Public Safety Department located at 1408 Southlawn Place. Accessing the application/registration on-line will help save time when obtaining the permit from Campus Public Safety. An AU ID and Driver’s License are required to obtain a permit. Parking permits are available year round. **There is no charge to obtain a parking permit.**

**Tuition Payment**

Fall 2018 tuition is due on August 20, 2018. Spring 2019 tuition is due January 02, 2019. Students should have bills paid in full or have enrolled in the monthly payment plan by these dates.
GETTING STARTED FOR RESIDENT STUDENTS

Initial Housing Deposit and Refund Policy
Students assigned to the residence halls must sign a residence hall contract with Aurora University. Each student must have a $100 housing deposit on file with the university prior to receiving a room assignment. This deposit serves to reserve a room and acts as a contingency deposit in the event of damage to university property. The deposit is refundable once the student terminates occupancy and follows all checkout procedures, minus any damages that may be charged to him/her at that time, or in the event of an outstanding balance.

Housing Assignments
Fall semester room assignments and roommate information are emailed to students in early July via their AU email addresses. Students entering for the Spring semester will receive this information in late December/early January. Students may indicate roommate preferences on their contracts or by contacting the Office of Residence Life at 630-844-7881 or reslife@aurora.edu. Roommate requests must be mutually made by all parties.

Roommate Expectations
Communication will be one of the keys to a successful roommate relationship. It is recommended that roommates contact one another over the summer to begin talking about their expectations around such topics as guests in the room, use of personal property, etc. Upon move-in, residents have the opportunity to formalize these expectations on a roommate agreement form with the Resident Assistant.

Check-in Procedures
Upon checking into a room in the residence halls, each student is given his/her room key and a Room Condition Report (RCR). It is important to note, in detail, any existing damage to the room on the RCR. When a student moves out of his/her room, the check-in portion of the RCR will be compared to the condition of the room at check-out, and any alterations/damages will be noted by the Residence Life staff member completing the paperwork. At check-out, the resident is responsible for the condition of his/her room, including University assigned furniture. By signing the housing contract and the RCR, the student assumes responsibility for the cost of repair, replacement, or cleaning of any item or part of university housing that is damaged, modified, or destroyed.

16
Also at the time of check-in, the student is asked to complete an emergency contact card. It is important that information included on the emergency contact card be accurate and thorough. The information is used in cases of emergency. Students will also be given the option to register a contact person to be notified in the event the student has been missing for 24 hours or more.

**What to Bring**

Each student should consider his/her residence hall room to be his/her home away from home; residents are encouraged to personalize their spaces. Items to bring may include pictures of family and friends, a personal computer, TV (must be equipped with a "QAM" tuner to be compatible with the cable on campus) desk lamp, a refrigerator which is 4.0 cubic feet or smaller, a microwave oven that uses no more than 700 watts, multiple strip outlets (must be fused with at least 14 gauge wire and a grounded cord), extra long twin size bed linens, and pillows. Roommates are strongly encouraged to talk with each other about sharing large items such as televisions and refrigerators.

**What Not to Bring**

To prevent fires in the residence hall rooms, the following items are NOT permitted: hazardous electrical appliances, including but not limited to any appliances with open heating elements, space heaters, air conditioners, waterbeds, halogen lamps, cooking appliances, George Foreman grills, incandescent lights, concealed extension cords, or multiple outlet (octopus) adapters. Other restricted items are candles, incense, and other materials that are designed to burn. Flammable, caustic, poisonous and/or toxic chemicals also are prohibited.

Additionally, the following items are not allowed: firearms, weapons, and/or related paraphernalia; dangerous instruments; animals or pets, with the exception of certified service animals*, emotional support animals* (*approved on a case-by-case basis through the Disability Resource Office) and fish in aquariums 10 gallons or under; alcohol; illegal drugs and/or related paraphernalia. For additional details regarding prohibited items, please refer to the A-Book, the Aurora University Student Handbook at: aurora.edu/academics/resources/abook.html.
