On your 2016-2017 FAFSA, it was reported that taxable grant and/or scholarship aid was received and included as income on the 2015 federal tax return. Only the amount of grants and scholarships which were taxable and included in the 2015 adjusted gross income should be reported on the FAFSA.

**FAFSA Questions #44d and #93d:** “Taxable grant and scholarship aid reported to the IRS in your adjusted gross income. Includes AmeriCorps benefits (awards, living allowances, and interest accrual payments) as well as grant and scholarship portions of fellowships and assistantships.”
