Office of Financial Aid <i>Grants, Scholarships, and Loan Processing</i>	630-844-6190
Student Accounts <i>Bills, Monthly Payment Plans, Book Vouchers, Refunds</i>	630-844-5470
Residence Life <i>On-Campus Housing, Meal Plans</i>	630-844-7881
George Williams College	
Academic Services Office <i>at GWC</i>	262-245-8535
Woodstock Center	815-337-6051

¹ Your financial aid is based on the semester hours, housing plans, and academic program information shown. It is **your responsibility** to notify the Office of Financial Aid if any of these items differ from what is displayed on your award letter.

² Direct costs are those costs billed by the university. If you indicated that you plan to live on campus, the estimated room cost is based on a **standard double room**. The estimated board cost is based on the **Residential 15 meal plan rate** for AU campus residents and the **14 meal plan rate** for GWC campus residents. Actual room and board charges will be determined upon securing a housing assignment and will reflect on your billing statement (e-Bill). Estimated direct costs do not include additional charges for specific courses or academic programs. Your actual charges and payments may be different.

Please be aware of indirect costs such as books, supplies, transportation, personal expenses, etc. We estimate approximately **\$600 per semester** for books.

³Your loan disbursement dates have been predetermined by the university. Students enrolled in a semester or a modular program will have one scheduled loan disbursement each semester of attendance. Summer semester loan disbursements are based on summer course dates. Your loan disclosure statement from the U.S. Department of Education will indicate your anticipated disbursement dates and amounts. You will be notified by the Student Accounts Office via your AU email account upon the arrival of your loan disbursement(s).

⁴The total loan funds applied to your student account will be **less** than the total amount you accept. The amount accepted is the loan principal that you will be required to repay. However, a loan origination fee of no more than 3% is deducted from each Federal Direct Stafford Loan disbursement by the U.S. Department of Education before the funds are applied to your bill. If accepting the Federal Direct Parent PLUS Loan or Federal Direct Graduate PLUS Loan, a loan origination fee is deducted from each disbursement with the current loan origination fee at 4.228%. These fees are subject to change based on federal regulations.

Please take these fees into consideration when evaluating the loan amount(s) you wish to accept. **Watch for your loan disclosure statement from the U.S. Department of Education**, which provides the loan origination fee information.

⁵ Aurora University is committed to offering meaningful work opportunities for all students. On-campus jobs are in high demand. The amount listed as Federal Work-Study (FWS) Eligibility is the annual amount you are eligible to earn, if hired. Earnings will not automatically be deducted from your charges. If you are not FWS eligible, you still have the option to pursue on-campus employment. Student workers are paid bi-weekly following the current minimum wage guidelines for a maximum of 15 hours per week. To inquire about on-campus employment, Aurora students can contact Human Resources at 630-844-5493 and GWC students can contact Jenni Herrick, Director of Student Success, at 262-245-8572.

****State of IL MAP Grant (Est) award eligibility and amount are subject to change pending action by the Illinois General Assembly, the Governor, and/or your actual semester hours each semester. For more details, refer to the State of IL MAP Grant (Est) Special Notice available at aurora.edu/forms2021.**

Your aid is contingent upon the availability of funds and the verification process, if you are selected. The Office of Financial Aid reviews your FAFSA information, your enrollment status, your housing plans, and your Satisfactory Academic Progress to determine eligibility. Completed financial aid funds will be applied to a student's account after the first week of the semester.
