A Special Circumstance Request is intended for students, spouses, and/or parents who have experienced significant life changes, which include, but are not limited to, the situations noted on this form.

The purpose of this request is to assess an ability to administratively change your FAFSA data due to your unique circumstances and the documents submitted. There is no guarantee an approval will result in increased aid eligibility.

- Thorough documentation is required to explain and verify your situation. Incomplete documentation will cause delays. Additional documents may be requested after initial review.
- After verifying all submitted documents, multiple corrections may be administratively made to your FAFSA before a new award letter can be generated. The Department of Education will notify you by email of any corrections made.
- This request is in effect for the 2021-2022 academic year only. Policies and procedures are subject to change as influenced by regulatory changes.

A Special Circumstance review begins after the Office of Financial Aid receives all required documents. Once your request has been fully evaluated and any permissible FAFSA changes have been made, your financial aid eligibility is reassessed. You will be notified of the Special Circumstance Request outcome in writing. A new award letter will be issued if the request is approved and the student is eligible for additional financial aid.
