General Guidelines for Tuition Waiver Appeals

Tuition Refund Policy:

Students on the semester calendar who totally withdraw or drop classes which creates a change in enrollment status will receive tuition refunds according to the following graduated scale (Note: this scale applies to full semester courses or 8-week module courses):

- 100% refund through the first full week of the semester or the first class meeting, whichever is longer.
- 90%* refund through the second full week of the semester or the second class meeting, whichever is longer.
- 50%* refund through the third full week of the semester or the third class meeting, whichever is longer.
- NO REFUND is provided following the third full week or the third class meeting.

*If you are a full-time undergraduate student and you drop below full time during the refund periods described above, you will be charged the part-time per credit hour rate for the courses you are registered for, plus the incremental (10% or 50%) difference between full-time tuition and your new rate.

Students enrolled in courses on the Quarter Calendar, May Term and/or Summer Term who totally withdraw or drop classes which creates a change in enrollment status will receive tuition refunds according to the following scale:

A 100% refund of tuition is provided through 20% of any scheduled course, no refund thereafter, according to the following schedule:

- For 10-week courses that begin during the first week of the term, a 100% refund of tuition is provided through Friday of the second week of the term, no refund thereafter.
- For 5-week courses that begin during the first week of the term, a 100% refund of tuition is provided through Friday of the first week of the term, no refund thereafter.

Refunds for courses of lengths not listed above are provided at 100% through 20% of the course length, no refund thereafter. Specific dates may be obtained from the Registrar’s Office or Student Accounts Office.

Please note: Non attendance does not constitute withdrawal from a course or from the University. Students wishing to drop a course must file a “Change of Course Petition” in the Registrar’s Office. Please see the Undergrad or Graduate Catalog for more information.

The following chart provides a guideline for the types of reasons that are considered for tuition refund waivers. This list is not intended to be all-inclusive. If your particular situation does not meet with any of these descriptions, please complete the waiver appeal form, stating your situation as best as possible, and provide supportive documentation.
