Fox Valley United Way is working to Advance the Common Good by focusing on Education, Income and Health. These are the building blocks for a good life — a quality education that leads to a stable job, enough income to support a family through retirement, and good health. Our goal is to create long-lasting changes that prevent problems from happening in the first place.

We invite you to be part of the change. Together, United, we can inspire hope and create opportunities for a better tomorrow for the communities of the Fox Valley.

That's what it means to LIVE UNITED.
