This tutorial will show you how to renew an item checked out from Phillips Library.
From the library catalog search page, click on the Login link in the upper right corner.

You are now logged out.

To be sure you have logged out completely, quit your browser.
Logging on to renew books from Phillips Library is the same process as renewing books from I-Share libraries. If you need help creating an I-Share account, ask a librarian or watch the “How do I create an I-Share account?” tutorial.

Enter your username and password. Hit the “Login” button.
Once you are logged in, select the “Checked Out Items” tab from the menu. This will take you to a list of your resources. Select which items you would like to renew, then click on the “Renew Selected Items” box at the bottom of the screen.

1. Check this box to select for renewal.

2. Click to renew!
