

5 January 2023

Dear Members of the AU Campus Community:

Happy New Year!

I wanted to provide you with a brief update on the Presidential Search. I am very pleased to tell you that the search is progressing well and is on schedule.

In November, we shared with the community the [presidential leadership profile](#). Since then, we have received numerous nominations of candidates, and our consultant team has reached out to them as well as gone about actively recruiting other candidates. The priority deadline for applications is 13 January 2023.

As the Search Committee prepares to start reviewing applications, please remember that you can still help in identifying promising candidates by sharing nominations with the WittKieffer consulting team at [AuroraUniversityPresident@wittkieffer.com](mailto:AuroraUniversityPresident@wittkieffer.com).

Wishing all of you a wonderful start to the spring semester!

Sincerely,

A handwritten signature in black ink, appearing to read "JDA", with a long horizontal line extending to the right.

John Ammons, Chair, Presidential Search Committee
